*Dear Wes, and Sports Camp Counselors,*

*Today is Kevin's last day at Sports Camp. The past 6 weeks have helped Kevin develop, and learn sportsmanship, sports skills, and socialization skills. All of the counselors working with Kevin have been wonderful!! He has learned from all of you! That is what a teacher is.*

*This has been a difficult time for Kevin. But being at Sports Camp has helped him channel his energies, and feelings. I'm sure you have seen growth in him over the past 6 weeks, and how rewarding that must be for you since you have helped him along.*

*I am very grateful, and hope you have a great rest of the summer!!*

*Sincerely,*

*Mary*
