*NOTE:
The proposed FY 2019-20 fee range is a technical correction. Tournament Green Fee ranges in the Fees and Charges schedule are intended to include the cost of electric cart rental as specified in the item description. The fee range reflected in the FY 2018-20 schedule adopted by Council in June 2018 inadvertently reflected green fees only. The proposed FY 2019-20 revision will correct this item so that the Tournament Green Fee range includes electric cart rental as the item description specifies.
